Abstract

In the Republic of Vanuatu, more than 100 vernacular languages are spoken on 83 islands. Tutuba language, one of these vernacular languages of Vanuatu, is spoken in the isolated Tutuba Island. This has approximately 500 speakers¹⁾. To the best of our knowledge, *New Hebrides Languages*²⁾ containing about 300 vocabularies of Tutuba language is supposed to be the only previous research.

This paper focuses on nouns of Tutuba vocabularies, and describes their meanings with examples in Bislama^{3),4)} and English. This paper will particularly focus on the vocabularies beginning from T to V, and this is the continuation of the paper, *Nouns in Tutuba Language (S-T)* co-published in 2019. The construction of each unit is shown as follows.

1. Tutuba word
2. meaning in Bislama
3. meaning in English
4. Tutuba example sentence
5. the glossary of the Tutuba example sentence
6. meaning of Tutuba example sentence in Bislama
7. meaning of Tutuba example sentence in English

In this language, subject pronoun has a realis/irrealis distinction, and the third person singular object enclitic form is =a, except after transitive verbs ending in a. In this case, the form is =e, instead. Prenasalized stops [m̥b] and [n̥d] are written as b, d, [β] is written as v, and linguolabial [m], [b] and [v] are written as [m'], [b'] and [v']. Abbreviations used in this paper are as follows.

1/2/3:	first person/ second person/ third person
