Keywords : Vanuatu Nouns Dictionary Bislama English

In the Republic of Vanuatu, there are more than 100 indigenous vernacular languages spoken on 83 islands. Most people speak at least one of these languages, in addition to Bislama. Bislama is an English-based pidgin and the national language of Vanuatu, along with English and French.

Tutuba language, a vernacular of Vanuatu, spoken in the isolated Tutuba Island has about 500 speakers²⁾. To the best of our knowledge, only Tryon et al.¹⁾ has collected about 300 vocabularies of Tutuba language.

This study focuses on nouns of Tutuba vocabularies, and describes their meanings with many examples in Bislama^{3),4)}, and English. This paper will particularly focus on the vocabularies beginning with S, as listed below, and this is the continuation of the paper, Nouns in Tutuba Language (O-S), that will be co-published in 2018. The construction of each unit is shown as follows. 1. Tutuba word 2. meaning in Bislama 3. meaning in English 4. Tutuba example sentence 5. the glossary of the Tutuba example sentence 6. meaning of Tutuba example sentence in Bislama 7. meaning of Tutuba example sentence in English.

In this language, subject pronoun has a realis/irrealis distinction, and the third person singular object enclitic form is =a, except after transitive verbs ending in a. In this case, the form is =e, instead. Prenasalized stops [mb] and [nd] are written as b, d, [β] is written as v, and linguolabial [m], [b] and [v] are written as [m'], [b'] and [v']. Abbreviations used in this paper are as follows. 1/2/3: first person/ second person/ third person, art:
